Consultation & Exam

To begin today's visit, we will collect some confidential health information and then sit and speak with you. After we learn more about your condition, we will perform some preliminary screening tests.

If we believe that we may be able to help you, we will recommend a complete examination so we can thoroughly evaluate your condition.

We will always inform you of associated fees before we perform any procedure or service.

Report of Findings

Patients who are examined will receive a report of our findings from the recorded history, consultation, and examination.

If we believe we can help, we will accept your case at this time. If we believe that you will not respond to our care, we will not accept your case and may refer you to another provider.

Treatment Plan

If we accept your case, we may recommend treatment options based on your unique needs and then an individualized treatment plan may be created to address your short and/or long-term goals.

As you advance through treatment, periodic progress evaluations will measure and compare your improvement.

I understand and agree to the following:

- The privacy practices have been satisfactorily explained to me and I have received a copy of the Notice of Privacy Practices or had an opportunity to receive a copy
- I understand the purpose of today's visit
- The doctor(s) may use my confidential health information in the manner previously described
